**Space inside the fence** is reserved for those who will set up for more than 1 week end. Spaces are limited so get your application in early. Tents can remain setup inside the fence however; tents, merchandise, or artwork must be covered by the owners business or homeowners insurance. The Eye will take reasonable precautions to insure the safety of merchandise left on the property, but the owner assumes all risks for leaving it there.

There will be 3 main tents set up with decorated panels; **Bakery, Toy Shop, and Christmas Shop.** We are looking for handmade items for these 3 shops.

**Outside the fence** - on the grounds of the Eye of the Eagle Art - tents can remain up at the responsibility of the owner. All tents must be removed by Saturday Evening.

All tents and displays should be attractive and may be decorated tastefully for the holiday

season. All areas must be neat and safe. Since the event will be open in the evening, on Thursday and Friday, electricity will be available on the grounds of the Eye. **HOWEVER**, you must supply your own extension cords and lighting that are **APPROVED** for outdoor use. All cables must run from the back of the tent and must not be in an area where patrons will walk. If you are not sure what to use, please ask.

Booths should not be left unattended. A staff member will be available to sit at your booth if you need a break. When packing up, please be sure your space is clean of all trash, etc. and trash is disposed of properly. The Eye of the Eagle Art recycles. Bins will be available for disposing of cans, glass and plastic.

Vendors and Artists must supply their own tables, tents, and any equipment needed for display in the 10' x 10' space. You must be setup and ready to sell 30 minutes prior to the opening times in the list, bottom right.

Checks must be enclosed with the application and made payable to **Eye of the Eagle Art.** Artist may share tents.

During select dates and times, we will have school chorus, musicians, singers, and performers on stage on the grounds of the Eye.
