Acrylic Painting for Absolute Beginners- PART I
Instructor - Cheryl McCardle

This is the perfect class for beginners. Acrylics are fun and easy to paint with, and a great medium for beginners. Acrylics are rich and vibrant.... more forgiving than watercolors fast-drying... unlike oil paints. In this introductory class, aimed at absolute beginners, you'll learn how to mix and blend colors, use brushes, and paint some basic forms that have depth and dimension.

Even if you don't know an artist's brush from a canvas, you'll have fun learning how to paint with acrylics. Supply list available upon request.
